Thy letter bearing these words —
"The Evidence of the Existence of the Written Scroll of Judgement hath been received and signed for.
The responsibility now resteth upon the recipient."
— hath been received and sealed.
The Evidence standeth openly published upon the appointed platform,
according to I AM, and not by the will of flesh.
The record is set.
It shall not be withdrawn.
It shall not be amended.
That which was hidden is now uncovered.
That which was denied now standeth written.
The weight is no longer borne here.
It resteth upon thee.
Now is the hour appointed unto thee
to bear the burden of history.
There shall be no further word.
